Our 15th Year Anniversary!

For 15 years Kids Theatre Workshop has provided an exciting opportunity for young performers to develop their skills. Campers return year after year to act, sing, dance, and create on the stage of a working theater. Our relaxed atmosphere welcomes both novice and experienced actors and encourages them to grow as they play. A showcase performance is presented for friends and family on the last day.

About the Sessions:

NEW!! Little KTW is a new session open to youngsters ages 5-8 who are eager to explore their creativity while having fun. A great way to be introduced into performing.

Improv Workshop is open to confident performers ages 12-18 who enjoy making up characters and scenes right on the spot.

Youth Workshop is for young performers ages 9-12. We develop skills in characters, stage presence, movement and creativity through acting games, activities, and scene work.

Teen Workshop is for performers ages 12-18. Actors will practice character and scene work, and strengthen performing abilities through activities and improvisation.
